Opening the Sacred Space

OPENING SACRED SPACE (NORMAL)

WE ARE GOING TO SET OUR INTENTION NOW.

1. Do your 12 D shield

2. Be open and allow it to change, shift and develop as times go

3. Expand your heart vibration/3fold flame/blueprint vibration, into the size and spear that feels best for you and anchor that vibration of yours into the earth and up to god source until you feel that your light pillar is 100 % anchored into Mother Earth and 100 % connected up to God source.

4. Make sure your light pillar is as wide as needed all the way down and thru out your entire pillar, all the way up. For example 12 feet in all directions and 12 feet throughout the entire pillar, down & up.

5. I claim this space as sacred. I claim this space in the name of God. In the name of Christ. Consecrated and dedicated to the eternal living light of God. I only want the light beings 100 % in service to the eternal living light to come through.

6. I ask the holy mother, holy father, holy Christos Sophia, the angels, the arc angels, the ascended masters, my karmic board, and my higher self to merge fully and deeply with me now through all dimensions of my field.

OPENING SACRED SPACE (NORMAL)

7. I ask my galactic, cosmic, universal, and multiversal families to come in and come through.

8. I ask my guides, my higher self, and my ascension council to work in United harmony so the highest of the highest of the highest will be shown for me in my here and now.

9. All are consecrated to the highest capacity of divine order and harmony.

10. I ask beloved God to anchor and harmonize the field. Clear any imbalances or mismatched energies.

11. Clear all fibers of light. Open all channels of light. Open all communication links up to God's source.

12. I ask for gatekeeping. I ask the guardian hosts to open a shadow vortex for the transit exit of all dead, negative energies. All misqualified energies. All dead and old dark energies.

13. I close all negative portals and seal all inorganic artificial timelines.

14. I ask for full protection and connection to the eternal living light.

15. I set my intention for this space and know now that it's open in God's infinite light infinite love and infinite power.

WE ARE GOING TO SET OUR INTENTION NOW.

Breath up and down thru your light pillar.

I claim this space in the name of God.

I only want the light beings 100 % in service to the eternal living light to come through.

I ask my family of light, karmic board, ascension council, and higher self to merge fully and deeply with me now.

I ask for full protection by God's infinite love, light, and power and I only want, what is in the highest divine order to come thru.

CLOSE SACRED SPACE

I ask for all of this energy work to be sealed and integrated with love, light, ease, grace, and empowerment. I ask for all of this energy work to be sent down to Mother Earth, accessible for all souls ready to receive. I give my deepest thanks to myself, my family of light, to God (and if there is any other specific beings you want to address), thank you, thank you thank you.

So be it, so be it, so be it.

IT IS DONE!
